## Lotus Glee – 15852 / 15853

True to its commitment to being different, Lotus Glee adds to its collection, new proposals for the elegant and cosmopolitan woman. The new models 15 852 and 15 853 are designed for both day and night and are characterized by an exceptional attention to detail, quality materials and exclusive colors. These watches feature a beautiful, minimalist dial framed by an original and stylish bezel.

The reference 15853/5 is really something special with the square tortoiseshell patterned polycarbonate bezel and the zircon details add a touch of chic.

The soft touch silicone strap emulating a steel bracelet of reference 15852 matches harmoniously the color of the bezel and crown.

Two new Lotus references full of extra-feminine touches.

## Lotus – 15842

Lotus underlines its unwavering commitment to technical accuracy by way of innovative watch making, full of contrasts and always up to date with fashion trends.

This new family of sport chronographs for men is perfect for all occasions. Comprised of six models these timepieces are characterized by a 44 mm round case made of aluminum and the graph dial is framed by a polished aluminum circular bezel which matches the color of the PU strap.

The color schemes (gray, blue, brown, khaki green ...) are entirely monochrome, bringing added charisma to this collection.

A new Lotus chronograph where the sporty inspiration runs deep in its unmistakable modern design.

## Lotus – 15854

---

For men with a lot of charisma Lotus offers an attractive range of chronographs, with a metallic finish reflecting the all powerful force of intrepid sportsmanship.

With a quartz movement, these new chronographs maintain a flattering sporty look. The dynamic elements are complemented by a casual look that makes these timepieces essential allies for the ups and downs of every day.

These new Lotus watches are water resistant to 50 meters and come in a variety of colors. The dial is striking with three hands of which the two main ones are fluorescent and a red second hand matches the counters. Each timepiece has a trendy look thanks to the polyurethane strap matching the dial and case color.

Striking and daring designs for another winning collection by Lotus.

## FESTINA GROUP

---

With over 30 years of history, the Festina Group is today a prestigious international company specialised in the production and marketing of popularly priced watches movements and precision parts.

Currently, the Group manufactures five brands of watches for the general market (Calypso, Lotus, Festina, Jaguar and Candino) and two jewellery brands (Lotus Style and Lotus Silver).

The Group's head office is located in Barcelona while our major production centres are in Switzerland and Spain.

Today, the Group has eight subsidiaries (France, Germany, Italy, Benelux, Switzerland, Czech Republic and Poland, Chile and México), is present in over 90 countries on the five continents and sells 5 million watches a year.

The quality of the firm's products, the excellent value for money and the special attention paid to post-sales service all contribute to making the Festina Group leader in many strategic markets.
